Colores

A modern interior space, likely a cafe or office lounge, featuring a minimalist design. The room has a light-colored wooden floor and a white wall on the left. In the foreground, there are several green metal tables and chairs. A person is walking away from the camera towards the back of the room. The ceiling is exposed, showing pipes and tracks with several pendant lights. The back wall has circular light fixtures. The overall atmosphere is clean and contemporary.

Cada espacio merece su propio diseño.
